

COVID POLICY (as of 9/2021)

Unvaccinated:

1. If testing positive, an individual must remain out of school a minimum of 7 days following the reception of test results. Following the 7day period, an individual may return to school only if ALL symptoms are no longer present, prioritization should be on the presence of a fever.

2. If in close contact with someone at school or home, who has tested positive, an individual can: 1. take the COVID test and upon a negative result return to school, 2. Not test and return to school (10) days after the possible “close contact” date, if NOT displaying any of the predetermined symptoms, 3. Supply a note from a licensed, medical doctor stating return to school is acceptable.

*Please note if “close contact” is with a family member residing in the same house as a student, the student **MUST** remain home, 10 days after the positive tested family member no longer displays symptoms.*

Vaccinated:

1. Any individual who tests positive for COVID is not required to quarantine or isolate, but is asked to wear face covering for 14 days.

Sincerely,

Tim Raddatz
Admin, St. John Lutheran School
